Context

We are committed to delivering music to our community; embracing diversity, creativity and partnership.

DfE National Plan for Music Education

The introduction of Music Education Hubs provides the vision to enable CYP (aged between 5 and 18 years) from all backgrounds to have the opportunity to learn a musical instrument; to make music with others; to learn to sing; and to have the opportunity to progress to the next level of excellence.

Arts Council England

ACE have set out a 10 year vision aiming to provide 'Great art and culture for everyone'. Music Hub funding is being used to support our strategic goals and to help achieve the ACE vision.

DCMS Cultural White Paper & Cultural Education Partnership

Surrey Music Hub works in partnership with schools and cultural organisations to support the cultural entitlement offer to all of Surrey's children and young people.

Our strategic goals

1. Music for All

Ensure that all CYP in Surrey are able to access music education that meets their needs.

2. Inclusion & Diversity

Provide opportunities for Surrey's diverse population of CYP to access tailored music education activities.

3. Learning & Development

Develop co-constructed, excellent and sustainable music education for Surrey's children and young people.

Priorities to achieve these goals in 2016/17 include:

- Offer 100% of Surrey's CYP the opportunity to learn to play a musical instrument, engage in vocal work and music technology.
- Engage with 100% of Surrey's schools through music making.
- Review and develop opportunities for group music making (incl. vocal).
- Engage with CYP who are living in challenging circumstances.
- Continue to develop and deliver Breaking the Bubble programme for CYP with special educational needs and disability.
- Promote health and wellbeing of CYP through music making.
- Build digital capacity (technology) to reach more communities.
- Determine the needs of Surrey's CYP to develop and improve musical opportunities and progression.
- Continue to develop opportunities for training teachers, musicians and parents.
- Continue to improve communication and resident involvement.
